

Dear Freshmen and Transfer Students,

My name is Steven Yung, a 4th year Mechanical Engineering Student at OU, and I would like to welcome you to our university and to a new and exciting stage of your life. Our university offers numerous clubs and activities that can enhance and enrich your college years. Let me take a moment to tell you about Christians on Campus, the organization that has been the most beneficial to me.

At Christians on Campus, our goal is to provide a positive family atmosphere where students can grow spiritually and practically. Our focus is simple: we love the Lord Jesus, and we love exploring the riches of the deeper truth in His Word, the Bible. We welcome and encourage anyone who desires to know God and the Bible to meet with us. There are a variety of activities that we offer throughout the week, from bible studies in the student union and a time of dinner and fellowship at our campus house, to small group gatherings and one-on-one appointments. I personally highly value the time I spend with other believers here. They have helped me learn to enjoy the Lord Jesus, and have always provided a cherishing, nourishing environment. I truly feel I have a home away from home.

We cordially invite you to attend our welcome dinners at the beginning of the semester, which are great opportunities for you to learn more about the club. These dinners are scheduled on:

- August 23rd at 6:00pm in the Heritage room of the Union
- August 25th at 6:30pm our Campus House (corner of Lindsey and Chatauqua)

Following the welcome dinners, we invite you to our annual Freshmen Connect - a day event designed by Christians on Campus to help you meet other freshmen and grow in the Lord during your college years. You will be grouped together and engage in fun, team building activities, such as our trademark scavenger hunt and t-shirt design. Moreover, you will further your personal relationship with Christ and find companions with whom to run the Christian race. Please register at www.christiansoncampus.cc/fc.

- August 27th at 11:30am at our Campus House (corner of Lindsey and Chatauqua)

If you would like to know more please feel free to email me at syung@ou.edu or visit our website www.christainsoncampus.cc. Thank you for your time and consideration of Christians on Campus. We look forward to hearing from you soon!

Sincerely,

Steven Yung
